SECOND SUNDAY OF EASTER
DIVINE MERCY SUNDAY**

Acts 2:42-47 / 1 Pt 1:3-9 / Jn 20:19-31

Where was Thomas? That's one of those biblical unsolved mysteries. Why wasn't he with the disciples when Jesus first appeared to them? The Gospel states the disciples were together in the locked Upper Room out of fear. Was Thomas not afraid? Was he getting provisions? He's often referred to as "doubting Thomas," but I think of him more as "missing Thomas." *Why wasn't he there?*

Jesus returns a week later, when Thomas is present. Before Thomas asks, Jesus presents his wounded hands and side as tangible proof of his identity.

Now we find ourselves among those Jesus considers blessed—those who haven't seen him but who believe. But how difficult it can be to live by faith alone! Most of us would leap at the opportunity to see the risen Lord face-to-face as Thomas did.

We may not have that experience, but we can take comfort that Thomas did, because Jesus came to him in the way that Thomas needed. Jesus comes to each of us in the personalized way we need him to. The risen Jesus, through the Spirit, is present with us always because he is no longer limited by time or space.

Some people experience Jesus through a mystical vision, others through the unconditional love of a spouse, working closely with the poor, through study and academia, through a deep friendship. Jesus makes himself known to us through our "native language"—in the ways we alone can understand. Because of this, we too can say with the disciples, "I have seen the Lord!"

Students' Honor Roll for Mass Attendance

Easter is the most joyous Feast of the Church's entire year. We can never learn enough about all that God has done for the human race through the life and death, the Passion and Resurrection of Jesus Christ. The Resurrection reveals a totally new dimension of human existence that is offered to each and every one of us. This new life promises us unending health and happiness, joy and fulfillment, peace and security that will endure and increase for all eternity.

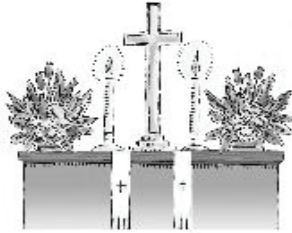

We are part of the Church which is the Body of Christ. It is a reality that is supernatural and heavenly; it is invisible, spiritual and eternal but at the same time, it is a visible, organized system that invites and joins all God's people in love with God the Father, the Son and the Holy Spirit.

For these and for many other reasons, attendance at Mass on Saturday or Sunday every week is a necessity if we wish to have this new life in Christ and have it endure and grow. Mass attendance is also a major part of preparation for Confirmation which begins in the earliest years of Religious Education even in the home. To emphasize and encourage Mass attendance, we have been speaking about our Students' Honor Roll for Mass Attendance. We have asked all students to submit a form when you come to Mass. Now, at the end of the school year, we are happy to honor students who have attended Mass every Sunday (or Saturday evening) during the past scholastic year. As you can see on the front cover of this bulletin, we honor for perfect Mass attendance during the past scholastic year:

Jessica Competiello
Brian Sweeney
Michelle Sweeney

There may have been others who attended Mass but did not turn in their form. We realize that the important thing is to attend Mass and deepen our love for Our Lord. We thank everyone who participated in our liturgy during the year and a special word of thanks is offered to all who contributed to and participated in our Family Masses.
